Fall 2018, MW 9:00-9:50, TR 8:35-9:25, PR 3

**Instructor:** Christopher Chinn (christopher.chinn@pomona.edu; 7-2926)

**Office:** PR 7

**Office Hours:** MW 10-10:50 or by appointment. I have an open-door policy, but it’s always best to let me know ahead of time if you intend to drop in.

**Course Objective:** The immediate goal of this course is to provide the student with a basic understanding of the Latin language through the study of its grammar and syntax, and through readings of connected Latin texts. Completion of the course should allow students to proceed to intermediate-level classes (LATN 33) and advanced reading of Latin literature (LATN 44). The ultimate goal of the course is to instill in students an appreciation of the significance of classical literature on the western tradition and in our own lives.

**Course Plan:** We will complete all of *Wheelock’s Latin*, focusing on morphology, syntax, and basic vocabulary. Students are expected to complete all assignments on time and to participate actively in class. As in any language course it is extremely important for students to maintain a disciplined regimen of daily study. Homework, quizzes, comprehensive exams, and a final examination will provide the basis for evaluation of student progress.

**Texts:** Please obtain the following texts. Note in particular the specific editions required.

**Academic responsibility:** I take the issues of cheating and plagiarism seriously. Please familiarize yourself with Pomona’s policies and procedures regarding appropriate and inappropriate academic behavior by consulting the following webpage:

[http://catalog.pomona.edu/content.php?catoid=3&navoid=80#Academic_Standards](http://catalog.pomona.edu/content.php?catoid=3&navoid=80#Academic_Standards)

It is your responsibility to be aware of what constitutes academic misconduct, plagiarism, and other violations of academic honesty.

**Academic accommodations:** Pomona College is committed to providing equal opportunity for participation in all programs, services and activities. Requests for accommodations may be made by contacting the Dean of Students Office. It is up to the student to contact the professor to fulfill the accommodations. Requests received after this date will be honored whenever possible.

**Grading:** The following table gives a breakdown of grades in the class. For my views on grading, participation, and classroom etiquette, please consult the following:

*The participation component is based on my impression of your preparedness. If I feel you are not prepared on more than one occasion, you will lose 2 percentage points for each subsequent instance of unpreparedness.

†Attendance is mandatory. Your overall grade will be reduced by one-third of a letter grade for each unexcused absence. For an absence to be excused you must provide me with appropriate documentation within one day.
Schedule: The following schedule outlines the readings and assignments that we will attempt to cover this quarter. Use this schedule as a rough guide for general study and, if you like, for working ahead. W = Wheelock; E = *Exercitationes* in Wheelock; SA = *Sententiae Antiquae* in Wheelock. GM=Groton and May.

NOTE: at the end of each class I will try to give you an overview of the next day’s material.

Reference Works: Here is a list of some reference texts to which Classical scholars frequently refer and which might prove useful to beginning students of Latin. If you intend to continue your Latin studies beyond the first year, you will doubtless encounter these books in some context or another.
