

Beckman Scholars Symposium, July 25-27, 2002, Irvine, CA

Ben explains what ‘fomenting’ means to a fellow Beckman Scholar.

Ben being put on the spot by Prof. Grant Willson (U. Texas). Moments before this photo was taken, Willson was urged by O’Leary to “go give that guy a hard time about isotope effects.”

Post-banquet photo with Prof. Will Polik (Hope College) and Murphy (Beckman Foundation). Ben- where did you get the stylish sport coat and tie?
