SUMMER ARCHAEOLOGICAL PROGRAM

Looking for a once in a lifetime summer experience? Join other Claremont students in the archaeological excavations at Tel Akko in Israel (June 28 - July 27, 2020)

Please join us for an information session

Wednesday, November 13 | 4:30 pm | CMC Kravis 161

The program offers a traditional archaeological field school, along with lectures and programs in conservation and heritage studies.

Uncover the past. Explore the rich history of the Middle East
Preserve for the future. Experience the region’s diverse cultures.
