

Makeup Quiz (Due Thurs, May 1)

Math 2710 – Spring 2014

Professor Hohn

Since we lost a week of class to Old Man Winter, we will not be having as many quizzes as originally thought; thus, you will have the opportunity to makeup a quiz score by doing one of the following:

1. See Math at Work: Watch the show *Nova: Hunting the Hidden Dimension* and write a few paragraphs about what you learned from the show.

2. See Math Talk: Attend a Math Club talk and write a few paragraphs about what you learned from the speaker.
3. See Math Create: If you have an idea or project that you would like to use as a makeup quiz, I'd be happy to hear it. Send me a proposal of your idea, and I'll take a look at it.
